

Plotting with the Wrong People

A man was arrested on Wednesday for planning to bomb the Metrorail train system in Washington, DC.

Farooque Ahmed believed he was working with al-Qaeda members, the charge says. But the people he saw were all part of an FBI investigation.

There was never any danger, the FBI says.

Ahmed is a U.S. citizen born in Pakistan. He is accused of taking pictures of Metrorail stations and planning the best times and places to put bombs on the trains.
