

## **Weapons and Explosives Found in Afghan Mosque**

Soldiers in Nad-e Ali, Afghanistan, were told Wednesday about a weapons cache in a mosque (Muslim place of worship).

Foreign soldiers cordoned (blocked) off the area, and Afghan soldiers searched the mosque. They found:

- a machine gun
- a grenade launcher
- an assault rifle
- ammunition for the weapons
- blasting caps
- fuses and cords for bombs.

These things were taken away and destroyed.
