

"More Work to be Done" Between Pakistan and U.S.

The head of the Pakistani Army met with U.S. military leaders in Washington, D.C., on Wednesday.

General Ashfaq Parvez Kayani spoke with Admiral Mike Mullen, Defense Secretary Robert Gates, and others. They talked about the border with Afghanistan, and how to work together there.

Gates apologized for the American attack that accidentally killed three Pakistani soldiers last month. He said it shows "there is more work to be done".

He also thanked Pakistanis for fighting terrorism in their country.
