

## **Air Passenger Charged**

An Alabama man is charged with interfering with an air crew -- and assault.

Robert Wade Prince was flying from Amsterdam to Houston on Saturday. The woman next to him complained he was touching her and shouting.

A flight attendant asked an air marshal to change seats with the woman. Then more trouble began. The complaint says Prince:

- tried to stop the air marshal from sitting down
- hit the air marshal after finding out who he was
- abused him verbally (with words)
- grabbed a flight attendant by the arm.

Prince was taken to the crew area of the plane. He was arrested when it landed in Houston, and has stayed in jail.
