

## **The “Déja Vu Gunman”**

Déja vu is a French phrase meaning “already seen”. It’s used to describe the feeling people sometimes get that what is happening has happened the same way before.

The FBI is using it to describe a man who has robbed two banks in Houston, Texas. The banks are on the same street and belong to the same company. Also, the man wore the same clothes to both robberies.

To read about the crimes and see photos of the “déja vu gunman”, go to: <http://houston.fbi.gov/pressrel/pressrel09/ho092409.htm>
